MUTLULUK
Kapınızda...

işini en iyi yapmalı insan...

Dökülen beton toprağın altında kalsa bile güzel olmalı.

Başkası görmesede işini iyi yap,

Başkası övmesede işini iyi yap.

Tam 40 yıldır

sizin için en iyisini yapıyor, en iyisini üretiyoruz.

Yaptığımız iş kazancımızın değil,

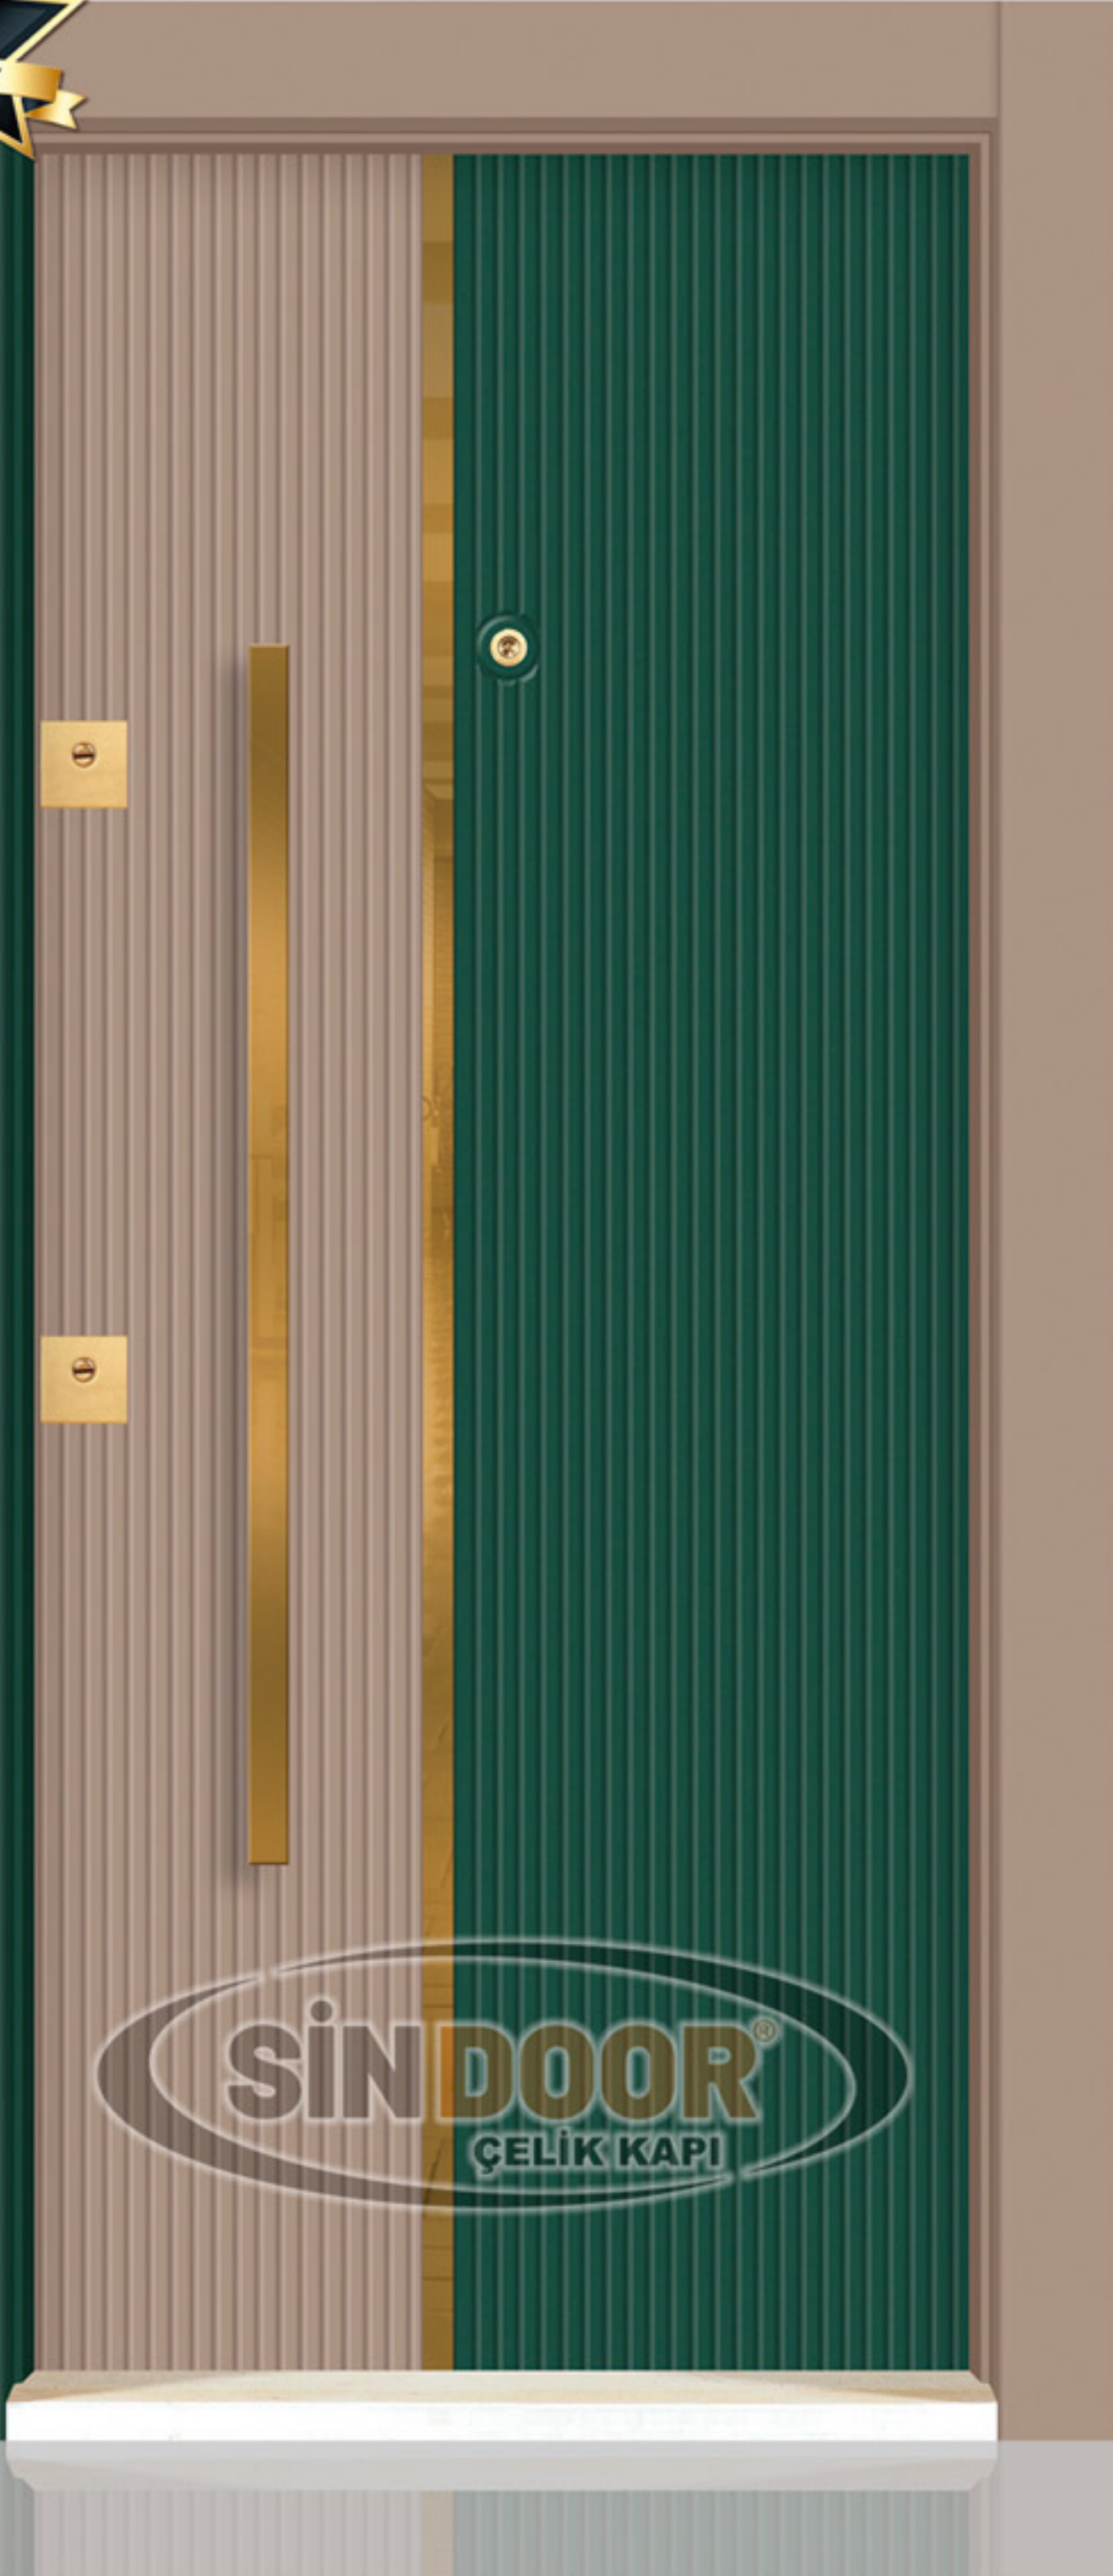

KARAKTERİMİZİN YANSIMASIDIR.

KEKLIK ÇELİK KAPI METAL SANAYİ KURULUŞUDUR.
